Dear Representative Tom Rukavina,

Tom, I am very proud to inform you that you have received the endorsement for Governor of Minnesota from the Communications Workers of America Minnesota State Council.

The CWA Minnesota State Council represents over 8000 members in the State of Minnesota through our affiliated locals. Our members come out of the communications, manufacturing, newspaper, television and transportation industries. All of these factions of industry have been affected by the turn down in the economy.

We know you are the candidate that has always been the champion of working families' and labor's issues at the Minnesota State Capitol. Because of your efforts on our behalf and all working families in Minnesota, the CWA Minnesota State Council knows you will make a great governor for all the people of Minnesota. By working hard and standing firm on what is good for working families, you will bring Minnesota back to it's rightful place as one of the leading states in education, transportation, communication, transportation, health care and job creation.

For these reasons the CWA Minnesota State Council has stepped forward and endorsed Tom Rukavina for Governor of Minnesota.

Go get them Tommy,

**Tim Lovaasen, President**
